If you don't want to receive the benefits of this settlement or if you want to keep the right to sue or continue to sue Med-Data or its Business Associates regarding the Data Incident, then you must take steps to remove yourself from the Settlement Class. This is called excluding yourself – or is sometimes referred to as “opting out” of the Settlement Class.

If you exclude yourself from the Settlement Class, you won't get any money from the Settlement. If you exclude yourself, you will not be legally bound by the Court's judgments in this class action.
